

A MULTI-PURPOSE EVENT FACILITY

MISSION

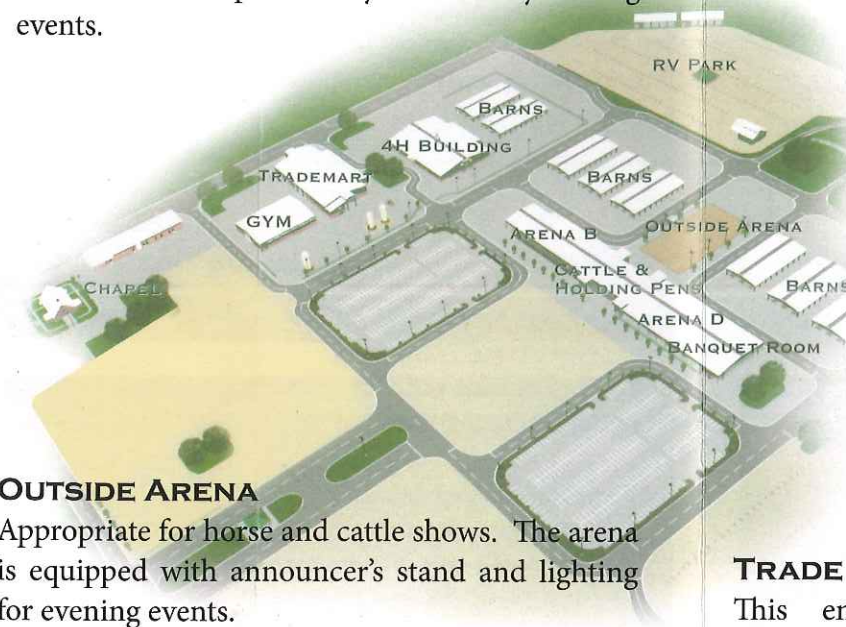

The Lamar-Dixon Expo Center is a state of the art multi-use event facility that supports charitable organizations and community development. Located near Gonzales, Louisiana, the Expo Center offers residents of both the parish and region an exposition center capable of accommodating a wide variety of activities and several thousand attendees.

ROBBIE G. SAVOY JR. ARENA

This arena can accommodate rodeos, equestrian events, graduation ceremonies, tractor pulls, monster trucks, circuses and many other entertainment venues. There are elegant upstairs banquet rooms & a bar overlooking the arena which can be used in conjunction with your event as well as a standalone facility. The arena is also equipped with five vending rooms which are available for small meetings or for vendor merchandizing setup.

The arena has 3500 seats with 36,000 sq. ft. (120' x 300') of useable space for events. This arena is equipped with two permanent concession stands which can be operated by the facility during events.

OUTSIDE ARENA

Appropriate for horse and cattle shows. The arena is equipped with announcer's stand and lighting for evening events.

THE BARNs

There are eight covered barns that are convenient to show arenas, with complete equine and livestock accommodations. The barns are fully equipped with wash racks, vet stocks, and restrooms. There are 960 - 10' x 10' horse stalls or 2,800 cattle ties.

4-H BUILDING

This 74,000 sq. ft. facility provides a spacious, workable environment for educational and agricultural shows with ample accommodations for grooming. This building is also ideal for trade and consumer type shows that require a lot of square footage.

BANQUET ROOM

Enjoy a stunning view of the main arena in these multi-purpose rooms used for corporate meetings, parties, conferences, wedding receptions, banquets and much more. At 5,180 sq.ft., this room can hold up to 500 people. For added flexibility, the room can be divided into three smaller rooms.

CATTLE HOLDING

This area has 24 covered pens. These pens are capable of holding 2,500 head of cattle.

HORSE AND CATTLE ARENA B

Excellent covered facility for calf roping, bulldogging, barrel racing, horse shows, cattle shows, and dog agility shows, etc. This arena has 1,500 permanent seats with 31,000 sq. ft. of floor space. Concession stands and a small café are available and can be opened for events.

TRADE MART BUILDING

This enclosed, air conditioned, 24,000 sq.ft. building is ideal for all types of trade shows, crawfish boils, large wedding receptions, banquets, company picnics, dances, etc. The building can be divided into two 12,000 sq. ft. sections. Displays and equipment can easily be delivered through large roll-up-doors. The building is also equipped with phone, wifi and electrical floor grids.

GYM

The Ascension gym can be used for basketball, volleyball, wrestling or any other gym sport. It can also be used for dances, meetings and events.

CHAPEL

The church has a beautiful Acadian style atmosphere, seats between 175 and 200 people and can be used for weddings or other small services. It has a full sound system with bride and groom dressing/waiting rooms.

BIG SKY CAFÉ

A place to cool off and relax in an air conditioned setting while enjoying a snack or light meal.

RV PARKING

There are 300 fully equipped RV connections with either a 30 or 50 amp service. The RV Park has two fully equipped bathhouses for the convenience of our guest.

PARKING

There are over 1,000 lighted automobile parking spaces on site with an additional overflow parking in adjacent fields.
