# ST. GENEVIEVE

MISSOURI

**Le Tour de Sainte Genevieve** is a bicycle road race which has over 300 participants and attracts racers from all over the country. It was also voted the Missouri State Championship Road Race for the third year in a row. The roads in Sainte Genevieve are tailor made for a bike race. The course combines a variety of flat sections, rolling hills, and long climbs that makes a bicycle road race a true race.

As opposed to other bicycle road races, Le Tour de Sainte Genevieve has a King of the Mountain Challenge where riders race to the top of a grueling hill to win the challenge for a cash prize at the end of the day. Watching the riders battle for First Place up the climb is always a crowd pleaser. New for 2010 was a Main Street finish in the heart of downtown Sainte Genevieve. Shop owners and spectators lined Main Street to see the finish. 2011 is the 5th year for Le Tour de Sainte Genevieve bicycle road race. Due to the overwhelming success of the race, and positive racer feedback, the organizers plan to continue this race for many years to come.

Sainte Genevieve, Mo., is located one hour south of St. Louis off Interstate 55. Despite being the oldest town in Missouri, it offers up-to-date sport facilities for your tournament or event. This quaint French Colonial town is best known for its history, events, shopping, wineries, arts and antiques. However, Sainte Genevieve has a lot to offer as a sports venue: affordable lodging, complimentary itinerary planning and facilities to accommodate golf, baseball, softball, basketball, volleyball and martial arts.

For more information or to schedule your event please contact the Welcome Center toll free at 800-373-7007 or visit [www.VisitSteGen.com](http://www.VisitSteGen.com). **SDM**
