

## SANTA ANA STAR CENTER

The Santa Ana Star Center has provided world-class entertainment to Rio Rancho and area residents since 2006. The first structure completed in Rio Rancho's Central Business District and the first of its kind on the west side of the Rio Grande, the Santa Ana Star Center has provided the foundation for Rio Rancho's vision of the future.

Managed by Global Spectrum, this \$47 million facility is a multi-functional arena with sound, lighting and concert-quality acoustics. The Santa Ana Star Center leads the field of New Mexico venues and hosts concerts, sporting events, conferences and cultural programs. The Star Center is ideally suited for large-scale performances, with 165,000 square feet of extended floor space and seating for approximately 6,000 for hockey and rodeos and up to 7,500 for concerts.

The facility can host a wide variety of events including boxing, basketball, motocross, ice shows, and theatrical productions. The Star Center was designed and built to meet all ADA specifications to accommodate guests with disabilities and has 1,400 parking spaces, 500 club seats, and 26 private luxury suites.

Any event is possible with the Center's flexible floor plan. Retractable seating, protective floor covering and an in-house draping system all help to make every event the best it can be. Private suites, premium seating, and several large meeting and conference rooms are available, plus the upper-level VIP lounge with its amazing view of the Sandia Mountains to the east.

Home to the New Mexico Stars of the Lone Star Football League, the Santa Ana Star Center also hosts annual events - including the Taste of Rio Rancho, Pork and Brew, and the NMAA State Tournaments for Wrestling, Basketball, Volleyball and Spirit.

Past events held at the Santa Ana Star Center include Walking with Dinosaurs, Carrie Underwood, Cirque du Soleil, Disney on Ice, Sesame Street Live, Toughest Monster Truck Tour, Alan Jackson, Muse, Incubus, Casting Crowns, Trans-Siberian Orchestra, Jeff Dunham and many more.
