# 5 REASONS

Sports in Tallahassee will ensure you say **#iHeartTally**

**1 CHAMPIONSHIP SPIRIT**  
Sports planners looking to leave their mark are looking at Tallahassee. Gone are the days of uninspiring venues, outdated facilities and a “fend-for-yourself” attitude toward outside entertainment. Our creative approach and dedicated staff have led to a rapid rise in the number of championship events held in Tallahassee.

**2 PLAN WITH EASE & DON'T BREAK THE BANK**  
Tallahassee offers affordable options year-round and is ranked the No. 1 most affordable destination in Florida<sup>1</sup>. Visit Tallahassee provides complimentary services ranging from RFP distribution and coordinating site visits to assisting with securing lodging. Grants and generous funding support are also available to assist in bringing your event to Tallahassee.

**3 AFTER HOURS**  
Amp up the contemporary vibe for “after-the-event” with group dining options and experiences in one of Tallahassee’s walkable entertainment districts offering award-winning restaurants, renowned craft breweries and live music.

**4 UNPARALLELED HOSPITALITY**  
Named a Top 10 “Best Southern City” by Southern Living magazine in 2019 and 2020, Tallahassee is a vibrant destination with a true sense of Southern sophistication. Rolling hills, canopied roads and moss-draped oaks exist in harmony with exceptional cuisine, diverse entertainment options and a flourishing arts scene. Independent research shows “pretty city” and “friendly people and great hospitality” rank No. 1 and 2 in visitor impressions of the city.

**5 NATURAL BEAUTY**  
Once the final whistle has sounded and the game is over, explore some of Florida’s most popular and scenic forests, rivers and over 700 miles of trails. Highly rated hiking, biking and paddling outings are conveniently located within minutes of modern hotels and restaurants.

# Game On!

*Tally is a Sports Town for More Reasons Than You Think*

## » WINNING BIG

From 2019-2020, Tallahassee will host the FHSAA High School State Football Championships 1A-3A, bringing in athletes, coaches and families from around the state to Gene Cox Stadium.

## » WORLD CLASS EQUESTRIAN

The Red Hill International Horse Trials include dressage, cross country and stadium jumping competitions and serves as a qualifier for the Olympic and World Equestrian Games.

## » RUN TALLY

Apalachee Regional Park is a nationally recognized premier cross-country running venue. 2020 will see additional improvements to the course including more parking, permanent structures for media and event personnel, expanded communications and much more.

## » NOW SERVING

Tallahassee's Forestmeadows Tennis Complex has been a testing ground for the U.S. Tennis Association (USTA), serving as a model for USTA Pro Circuit Challengers all over the country. For nearly 20 years, this facility has hosted the Tallahassee Tennis Challenger, part of the USTA Pro Circuit Wild Card Challenge.

## WHEN SEVERAL THOUSAND

cross country runners and fans assemble during pre-dawn hours at Apalachee Regional Park — or similar numbers of soccer players and followers congregate on fields across the area — you get the impression that Tallahassee is much more than just the state's capital city.

The "sports town" label seems obvious because of the high-profile collegiate athletic programs at Florida State University, Florida A&M University and Tallahassee Community College. Look closer and you'll see another rich layer of championship sports activity that extends throughout the year to every corner of the community.

Leon County's Apalachee Regional Park racks up acclaim as one of the nation's finest venues for cross country running. It hosts the Florida High School Athletics Association championships and has held national championship meets for the Amateur Athletic Union (AAU) and USA Track & Field (USATF) with more on the way. The National Collegiate Athletics Association (NCAA) brings its 2021 Division I championships here — a first for the state!

The Tallahassee Marathon attracts top talent as a qualifying event for the Boston Marathon. When the British Diving Team needed a tune-up before the Games in Rio de Janeiro, they came here. The British divers will return for more training this year.

In soccer circles, it doesn't get much

bigger in the Southeast than the Florida State Invitational Tournament, with more than 8,000 athletes, or in swimming with the Area Tallahassee Aquatic Club and its meets throughout the year. The Jacksonville Storm Showcase is one of the region's premier girls' softball tournaments.

Having two award-winning parks systems and plenty of top-rated college facilities certainly help attract sports competition of all kinds. Last year, Tallahassee hosted more than 100 events ranging from A (Akido) to V (Volleyball) with age groups ranging from youth to seniors.

Our ability to coordinate and execute sporting events is evident throughout the year. Whether it's 8,000 soccer athletes here for the Florida State Invitational Tournament, 1,000 softball players for a showcase event, or hundreds of swimmers competing for a spot on the national team, it's clear that Tallahassee sports are wide reaching.
