Ford Idaho Horse Park 16200 Idaho Center Blvd, Nampa, ID 83687
208-442-3335

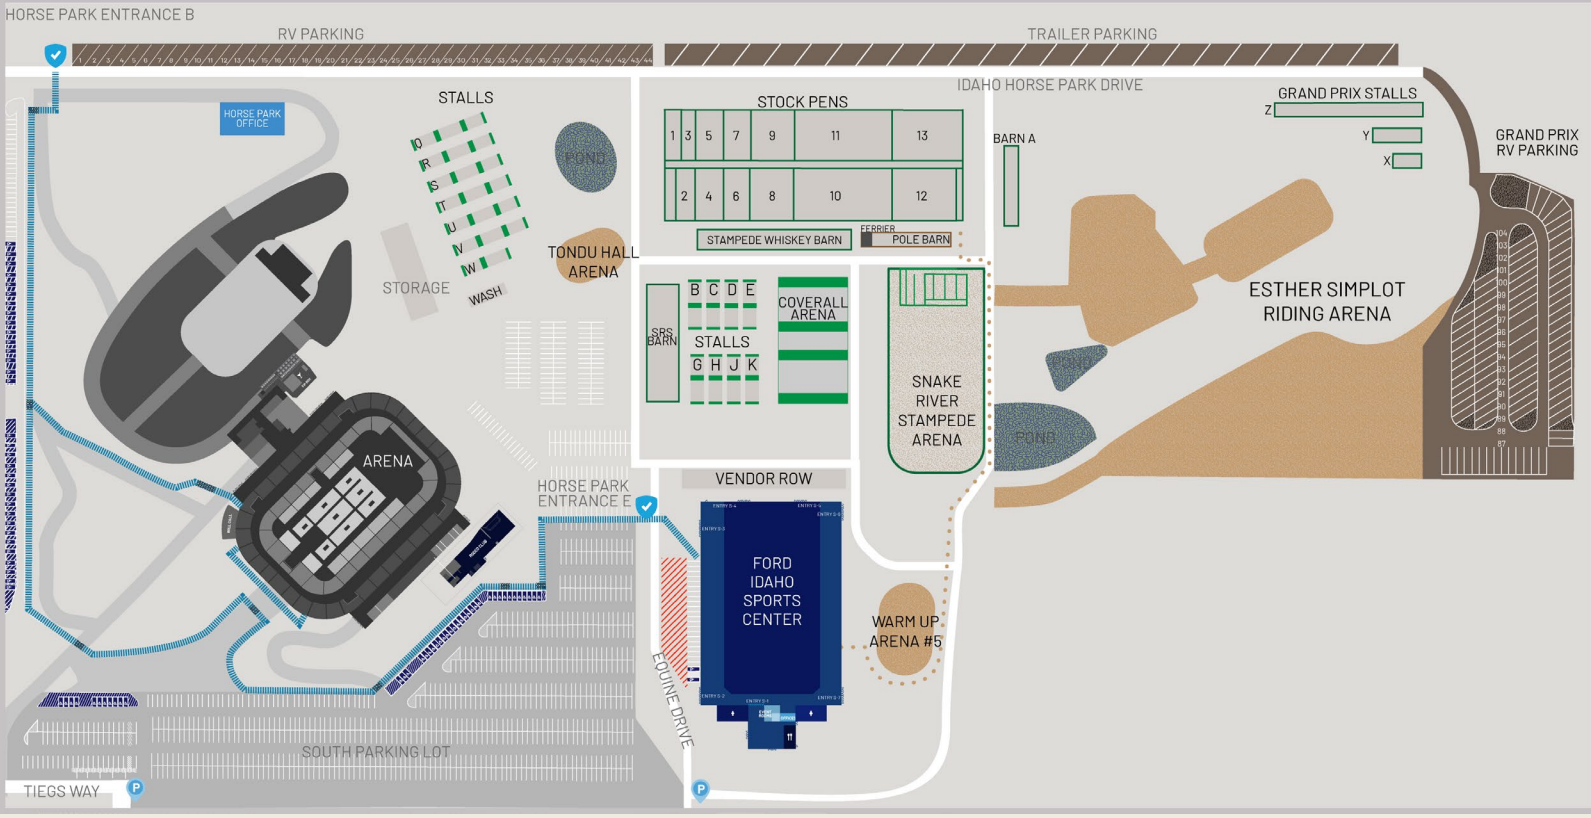

Welcome...

The Ford Idaho Horse Park is one of the most versatile and accessible facilities of its kind in the West. Boasting nearly 100 acres of maintained grounds, this facility offers a paradise for equine sports. With a diverse array of arenas, riders are keen to test their skills in top tier regional competitions. The Ford Idaho Horse Park stands as a testament to the Treasure Valley's rich equestrian history and commitment to the western way of life. Competitors can take advantage of the strategically placed facility; centrally located between Seattle, Portland, Reno, and Salt Lake City this is truly the Crossroads of the Northwest. Air transportation is just twenty minutes away at the Boise Airport. The airport in Nampa, just minutes from the arena, can accommodate small aircraft, and with easy access off Interstate 84 there is an array of food & beverage options. With it's blend of diverse facilities and Treasure Valley's charm, the Ford Idaho Center Horse Park stands as a premier destination for equestrian events in the region.

Highlights

HORSE PARK BY HORSE PEOPLE

- We have the software ability to design the arena just to your specifications and have our expert staff work round the clock to make it happen.
- The PA System reaches the entire facility and there are 8 big screen TV's wired to the arena for viewing from the offices to the concession areas.
- The cattle facility was designed by people who know and work cattle. Stress on cattle is minimized by permanent alleyways connecting cattle corrals to all show and practice pens. Corrals are equipped with automatic water tanks and easily accessed for feeding.
- The Ford Idaho Horse Park has enough pens to hold 800 head of cattle at any one time. 13 holding pens allow you to sort cattle easily for shipping and routing through the show and practice pens.
- The Ford Idaho Horse Park has 638 permanent stalls with the ability to add more on an as-needed-basis.
- All stalls are of composite material that is sterilized between Shows with Simbiot.
- No hoses required. All stalls have water accessible to each stall.

COVERED FROM A-Z

- Platform Seating with tables is placed around the show arena, allowing for comfortable seating, visiting, and enjoying a meal or refreshment while watching the show.
- The Ford Idaho Horse Park Concessions is rivaled by none. The full facility kitchen in the building allows for all meals to be freshly cooked, with a wide variety of everyday menu items to fit every palate. If the occasion calls for it, chefs and a experienced staff can arrange a banquet for you to fit any budget or taste.
- The concession area is staffed to fit any early morning or late night events on an as needed basis.
