"It's a host city that I think sets a standard other cities can aspire to."

— Fred Smith
Empire State Games Director

Greater Binghamton is THE place to host your next sporting event.

Greater Binghamton has a long history of sports from amateur to professional. The tradition dates back to 1923, when the Triplets, an eastern league farm club of the NY Yankees played here. Since 1992, we've been home to the Binghamton Mets, the NY Mets AA affiliate. In addition to baseball, professional hockey has also been a big part of the local sports scene. The Broome Dusters, Binghamton Whalers and Binghamton Rangers have thrilled fans for many years. We are currently home of the AHL Binghamton Senators, the top development team of the Ottawa Senators and 2011 Calder Cup Champions.

We host a wide variety of sporting events, everything from local to national competitions. The Special Olympics Summer and Fall Games, STOP-DWI Tournament of Champions (softball), I Love NY Cup Gymnastics Meet, US Lacrosse, Mibrabito STOP-DWI Holiday Classic (basketball), LG&T Tennis Challenger, Chris Thater Memorial Races and the Dick's Sporting Goods Open golf tournament of the PGA Champion's Tour are just a few of the many events contested in Greater Binghamton.

Numerous state-of-the-art sports facilities are available to accommodate your event. Binghamton University's campus, home of the Division I Bearcats, offers sports venues including their 156,000 square foot Events Center which seats 6,000 for basketball and also features an indoor track. We have multiple all-purpose fields and all-weather tracks throughout the county; plus an ice rink at SUNY Broome. The Greater Binghamton Sports Complex is the largest facility of its kind in the nation. With 124,000 square feet of competition space, there is room for two softball fields or five soccer fields at one time.

You and your athletes will appreciate our convenient and central location in the heart of Upstate New York. If traveling by car, we're easy to get to from several major highways. I-81, I-88, and NYS Route 17 (future I-86) all connect in Binghamton. If traveling by air, you'll fly into the Greater Binghamton Airport. You'll find affordable accommodations and great cuisine.

With so many reasons to host your next sporting event here, why consider anywhere else?

You're welcome to tour any of our venues in person! To set up a visit to Greater Binghamton, contact the Convention & Visitors Bureau at (800) 836-6740 or check out our website at www.visitbinghamton.org.

We look forward to having you here!
